

Easter Revision 2017

Cambridge Centre for Sixth-form Studies

Cambridge Centre for Sixth-form Studies (CCSS) is an established and leading independent sixth-form college, providing both day and boarding places, located in the heart of Cambridge. We provide tuition programmes for young people aged 15-21 and aim to ensure for each student the highest possible level of achievement.

Easter Revision

At CCSS, our Easter revision courses are designed to support your existing learning, to identify gaps in your studies and to hone your exam techniques helping build your ability and confidence and boost grades. Revising alone can be difficult, but having the support of caring and experienced tutors can make a real difference. All our courses are delivered by experienced subject specialists who are skilled in managing directed revision courses.

Easter revision courses take place during the Easter holidays, running from Monday 10th April through to Friday 21st April, and are open to all students who are currently studying for GCSE, IGCSE or A Level at school or college.

Key Features of our Easter Revision

Experienced and Skilled Tutors

Our academic subject tutors are skilled, experienced and highly qualified specialists and the depth of their knowledge is exceptional.

Small Class Sizes

We offer a wide range of subjects all taught in small class sizes (maximum group size of ten). Working in small groups as a member of a new and focused cohort enables you to extend your comprehension, revise your existing knowledge and fill in any learning gaps.

Initial Assessment

Most subjects will run assessments at the start of the course in order to identify areas where improvement is especially needed.

Revision Planning

You will work through structured revision plans and receive individual assessment and support on every day of the course.

Examination Skills

We introduce and practice exam techniques which helps to build your ability and boost your confidence.

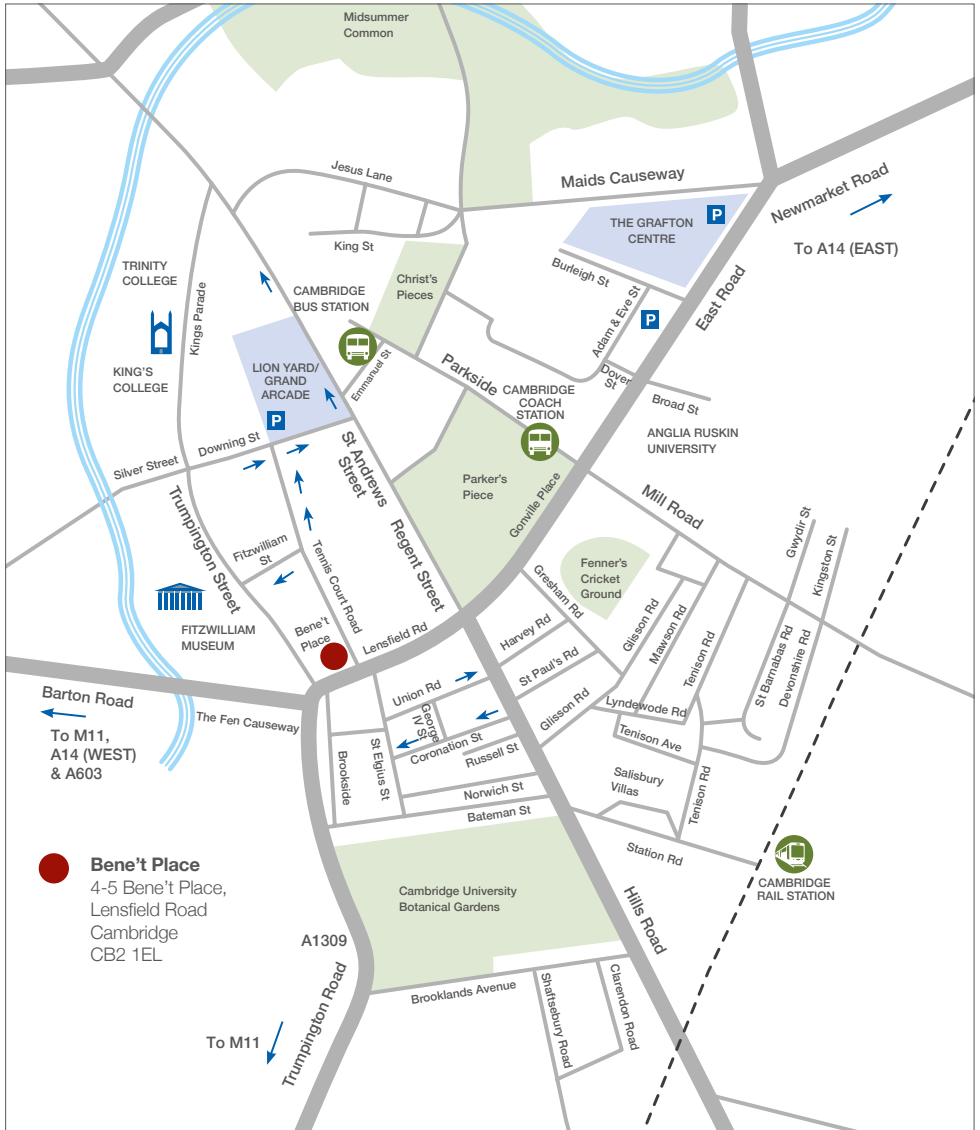

Full-Boarding in our Accommodation

We offer students' high quality, full-board accommodation with supervised study in the evenings all within walking distance of our teaching buildings.
